FAQ's

Q: What is the point of verification?

A: Security. ESA and our users expect a level of security whereby users cannot falsify or duplicate their accounts. We hold users accountable when they cheat, threaten, are racist or sexist and will take the appropriate action in accordance with local law.

Q: Is my information safe?

A: ESA take protection of information very seriously and do not distribute or share anyone's personal information under any circumstance without prior consent.

Q: I have submitted the uploads and it's over 24 hours, what do I do?

A: Please submit a ticket via the website or visit our discord channel to speak to an administrator. <https://discord.gg/GxhYjy>
