The top navigation bar includes the Electronic Sport Africa logo and the text "BETA", along with "HOME" and "COMPETE" links.

Type of Tournament

Is this tournament a Gaming, Robotic or Drone Racing Tournament?

Choose Game (Robotic/Drone Type)

A drop-down menu will appear with a list of Games to choose from. (If your game is not listed, please visit the ESA Discord support channel to request from a representative.)

System

Choose from a bunch of different tournament formats to suite your needs and timeframes.

Format

Most tournament formats will be by default, but the ESA system allows for custom formats in terms of teams, I.E; 1v1, 2v2, 3v3, etc.

Quantity of Teams

ESA tournament management system allows anywhere between 4 and 128 teams depending on how many people/teams you expect to join your tournament.

If in the case that your tournament doesn't will up to maximum intended capacity, the system will automatically assign as "Bye" system to fill the gaps.

Tournament Platform

This is to signify to those wanting to play in the tournament what platform this tournament is meant to be played on. There are 4 types, PC, Xbox, PlayStation, Mobile.

Some Games, like Dota 2 Underlords is cross-platform compatible so you may tick two fields if this is possible and or intended.

Step 3

Go to your Profile Page and scroll to the bottom.

Here you will see a list of your Current and Upcoming Tournaments and further below is a list of your own generated Tournaments.
